

Boxon AB/RoHS/2025-11  
Ver. 19\_2025  
Helsingborg November 5<sup>th</sup>, 2025

To whom it may concern

With reference to your request regarding our compliance to the RoHS (Restriction of Hazardous Substances) directive 2002/95/EU, amended through the RoHS 2 directive 2011/65/EU and the RoHS 3 directive 2015/863/EU:

- We declare that, to the best of our knowledge based on information provided by our suppliers, none of the products supplied by us contain any illegal levels of substances in regulation/restriction through the RoHS 3 directive 2015/863/EU, the RoHS 2 directive 2011/65/EU and the original RoHS directive 2002/95/EU. If illegal levels of such substances would be, for some reasons discovered in a product supplied by Boxon, you will be informed by us.
